WILD CAT?

Any oil well a mile from produc-tion is a "wildcat," sure and sometimes "wildcats" are drilled on the next location to a big well. This does not happen only in the oil busi-ness, but "wildcats" are found in all lines of business. Two stores side by side, one fails, the other succeeds; you have seen it, it's man-agement that does it, one good the other bad.

But what I want to say is that IF YOU WANT A CHANCE TO IN-VEST FROM TWENTY-FIVE DOLLARS UP WITH A REAL SHOW TO WIN FROM TEN TO FORTY FOR ONE (AND GET IT) CALL, WRITE OR PHONE
